

Donald J. Trump UNFIT FOR OFFICE!

He's Running for President of the U.S. to Avoid Going to Jail Cruelty – Authoritarianism – Fascism

- **He's a threat to all of our freedoms!**
- **He puts himself above the U.S. Constitution!**
- He's been found **guilty of 34 felonies.**
 - Therefore, he's prohibited from traveling to at least 13 countries.
- **He seeks retribution** and says he's going after and will prosecute his political enemies if he's elected.
- He has said (recorded TV interview) that he'll be a **Dictator on Day One!**
- **He encouraged and enabled the attempted insurrection/coup at the U.S. Capitol on January 6, 2021.**
- He calls the military members losers and suckers and said that former U.S. Senator John McCain wasn't a hero because he was captured and held in a POW camp!
- **He plans to close the U.S. Department of Education.**
- He was **convicted of sexual assault** by a jury of his peers.
- Many of his close allies have been convicted of felonies and are/have served time, etc.
- Years ago, he called for the execution of the NY 5 (New York 5 who were later all found innocent of charges against them). One is now an elected NY City Council Member.
- In the 1970's, when he was renting apartments in NYC, the U.S. Housing Administration found that he **discriminated against black renters.**
- He calls migrants rapists, murders, thieves, and vermin.
- He was a **draft dodger** during the Vietnam War era.
- He **separated families at the border**, put their children in cages, and had **no reunification plan.** At least 1,000 children who were separated from their parents have yet to be reunited with their families – after 6 long years!
- He's said (recorded TV interview) that he would deny federal dollars to any schools that have any vaccine mandate. (Wow! Measles epidemic, here it comes!)
- After the demonstrations in Charlottesville, when they chanted, "Jews Will Not Replace Us," Trump replied to a question, **"There were very good people of both sides."**
- In a closed-door meeting at Mar-a-Largo in April, 2024, Trump reportedly told a group of oil and gas executives that they should raise \$1 B for his campaign. He promised them that he would take specific actions, including issuing drilling and export permits that some oil and gas companies have pursued for years, on "day one" of his next presidential term. This is a danger to our climate!
- He speaks in **"Word Salad."** Word salad is defined as "a jumble of extremely incoherent speech as sometimes observed in schizophrenia," and has been used of patients suffering from other kinds of dementia, such as Alzheimer's. Like a salad encased in Jell-O, a 'word salad' doesn't make a lot of sense.

KAMALA HARRIS AND TIM WALZ

Looking Out for You!

From the courthouse to the White House, that has been her life's work!

Vice President Harris and Governor Walz are **fighting for a New Way Forward** that protects our **fundamental freedoms**, strengthens **our democracy**, and ensure every person has the opportunity to not just get by, but to **get ahead!** The Opportunity Agenda!

As a Prosecutor, Attorney General, Senator, and now Vice President of the United States, Kamala Harris always stood up **FOR THE PEOPLE** against predators, scammers, and powerful interests.

Kamala Harris promises to be a **president for all Americans**, a president who unites us around our highest aspirations, and a president who always **fights for the American people**.

On the **Economy**:

Pledges to take on corporations with the first federal **law against price gouging**; continue to **lower prescription drug costs**; take an aggressive approach to proposed mergers that reduce competition and hurt consumers among the biggest food producers; provide **bigger tax benefits for families** and would offset the costs by raising corporate taxes. **Restore the Child Tax Credit**: \$6,000 for parents with a newborn child; return of the \$3,660 tax credit for parents of young children (1 year – 6 years); \$3,00 for parents of older children.

Eliminate federal taxes on tips; provide a financial cushion for **small businesses** increasing from \$5,000 to \$50,000 in the startup expense deduction

Housing Shortage: Build 3 million **affordable new homes and rentals** by end of her first term via tax breaks to builders who construct homes for first-time home buyers; a \$40 billion fund to help local governments find solutions to the low housing stock and provide Americans who have paid their rent on time for 2 years with **up to \$25,000 in down-payment assistance**, with more support for first-generation homeowners. Block Wall Street investors from buying homes in bulk to resell at a premium.

Abortion:

Pledged to sign into law legislation that **restores the federal right to abortion** – if such a bill is passed by Congress and will “**never allow a national abortion ban to become law.**” Harris supports the **right of women to make their own decisions about their bodies and family-planning** which includes IVF.

Gun Laws: a ban on assault weapons and high-capacity magazines as well as a requirement for universal background check.

Ukraine and Russia: Has stated she “**will stand strong with Ukraine and our NATO allies.**” Has accused Russia of committing “**crimes again humanity**” in Ukraine a year after the war began.

Israel-Gaza War: pledged to ensure “**that Israel is secure, the hostages are released, the suffering in Gaza ends, and the Palestinian people can realize their right to dignity, security, freedom, and self-determination.**” Supports a two-state solution.
